Site Name and Address

Assessment undertaken – 1st April 2013
Completed by Lucy Prew
Assessment Review Date

List hazards

List groups of people who are especially at risk from the significant hazards which you have identified.

List existing controls here or note where the information may be found.

List the risks which are not adequately controlled and the action you will take where it is reasonably practicable to do more. You are entitled to take cost into account, unless the risk is high:

a. Cuts and Bruises
b. Bone Breakages
c. Head Injuries

Staff, children and visitors.

- Daily Checks of Environment
- Ramp accessibility
- Weekly inspection of environment
- Soft flooring in place, in infant rooms
- Signs for wet flooring
- Supervision of Children at all times
- Medical Practitioner on site, for emergency treatment in the event of serious injury individuals taken to medical centre for treatment

- Centre Development plan Actions
- Soft flooring in outside play area
 - Banisters to entrances and exits
